

## Småskalig elproduktion

- BIORÄNSLEELDAD KRAFTVÄRME
- ELVERKNINGSGRAD
- TURBINMARKNAD

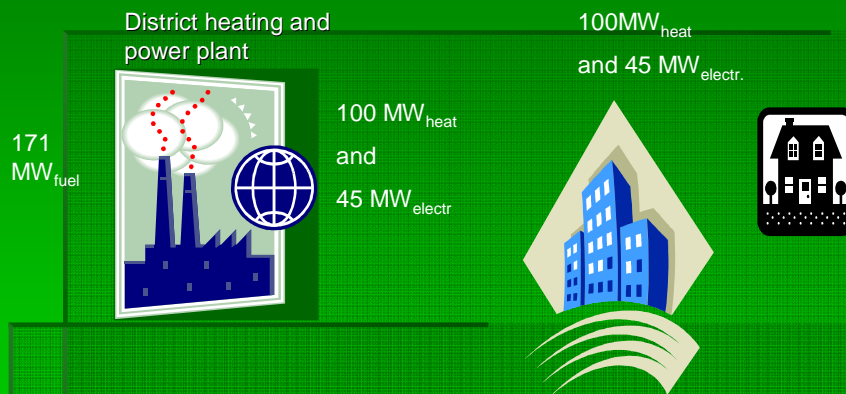

## Sustainable energy

- District heating and power production

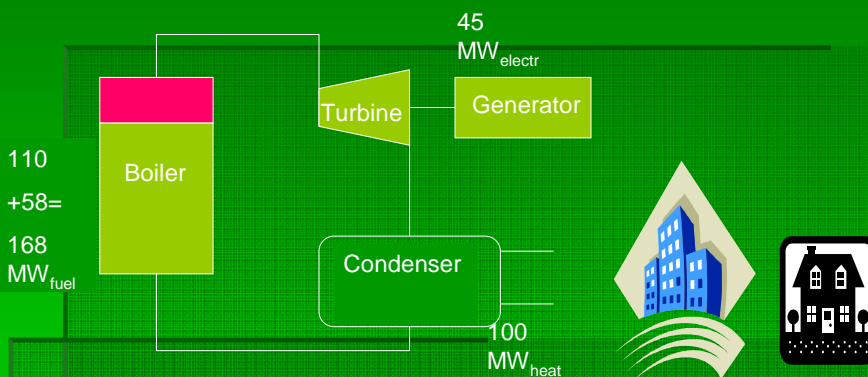

## Sustainable energy

- District heating and power production

That gives us a total efficiency of 85% or a 19% fuel reduction

## Sustainable energy

An electrical efficiency of  $45/(168-110) = 77\%$
